every ten thousand inhabitants over the first ten thousand, provided that no city shall be entitled to more than ten delegates.

Each Territory, and the District of Columbia, shall be entitled to one delegate; and each State to one delegate for each Congressional district, to be appointed by the Governor.

Each incorporated railroad, steamboat, manufacturing and mining company in actual operation, having a cash capital of \$100,000, shall be entitled to one delegate.

Every Chamber of Commerce and Board of Trade shall be entitled to one delegate.

The Committee of Arrangements shall have authority to invite persons of eminence in the arts and sciences, or in commercial and agricultural pursuits, and such other persons of distinction as they may deem to the interest of the convention

NOTICE

Should any commercial body, or any delegate who may be appointed, desire to present a subject, other than those within enumerated, for the consideration of the Convention, it is respectfully requested, that a written paper, containing the substance of such subject be forwarded to the Secretary of the Committee at least ten days prior to the assembling of the Convention, in order that such subjects may be placed upon the official programme of the business of the Convention.
